

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please tighten the rules for publishers and network heads/corporations not to be able to own TV stations and newspapers in the same town. We are being brainwashed in the NY metro area with News Corp owning Channel 9 and Channel 5 (the local channels) and a major newspaper that feeds the local channels. This should be illegal as the Fox people act like they are recruiting wingnuts.
